GAMS Belgium is an association that fights daily against female genital mutilation (FGM). It is a non-political and independent association, supported by Belgian and European subsidies on the basis of project files. Unfortunately, these subsidies are not sustainable or are sometimes linked to a very specific activity and / or public and do not cover all the needs of the association, especially for the most vulnerable people. Only long-term work can lead to the abandonment of such gender violence.

HELP US?

Thanks to you, GAMS Belgium will be able to continue its action through various activities such as:

- > prevention with women and fathers originating in countries at risk and their young girls,
- > psychosocial support of the persons concerned by the FGM,
- > awareness-raising of the general public,
- > training of professionals in the psychological, social and medical care sectors
- > group animations within the reception centres for asylum seekers and schools,
- > organisation of projects, days, or activities
- > advocacy

ACT, COMBAT, DEFEND...

... Are words that mean something to you?

Would you like to invest and devote a part of your time to participate in the associative life of GAMS Belgium: by helping us voluntarily to prepare highlights, a public animation, participating in our awareness activities?

- > You can become a full member of GAMS Belgium with an annual contribution (25 € for employees, 10 € for students and the unemployed, and 0 € for beneficiaries of GAMS Belgium), thus joining the statutes of GAMS Belgium and take part in the life of the association. This entitles you participation in general meetings and the right to vote. Interested? You can write a letter of motivation addressed to the Board of Directors at GAMS Belgium (info@gams.be) who will be more than happy to meet with you.

You wish to oppose FGM but don't have much time to consecrate? You can still help by making a donation!

- › You can become a supporter of GAMS Belgium with donations. Donations in excess of € 40 / year are tax deductible and we provide you with a certificate. You can also opt for direct debit by choosing to pay monthly a fixed sum of your choice. Please use the attached form.

TOWARDS A WORLD WITHOUT MUTILATIONS

Your participation is useful and indispensable! There are an estimated 200 million girls and women who have undergone female genital mutilation. Each year, 3 million girls are likely to be subjected to this practice. Each donation has a value and helps to reduce the number of mutilated women and girls. Let's fight together!

***You** can help us in this fight by helping to finance projects that contribute to the abandonment of female genital mutilation and have an active role in this cause!!*
